1) What is the definition and objective of the proposal?

The objective of the proposal would be to have a commissioner for each area. Eight total. The 1923 Treaty worked when all fishers were fishing the same grounds. In the mid 90s, we moved to 8 areas. US harvest 80% while Canada harvest 20%. Need to revise the treaty.

2) Impacts: Describe who you think this proposed change might affect
(including fishers, processors, agencies, and the public)**Might affect better conservation of the resource.**

2A) Who might benefit from the proposed change?

Much fairer for everyone.

2B) Who might suffer hardships or be worse off?

No one.
