IPHC NEWS RELEASE 2018-21

IPHC REGULATORY PROPOSALS FOR THE 2018-19 PROCESS

The International Pacific Halibut Commission (IPHC) announces the following dates and information for use when developing and submitting proposals for new, or amending existing, IPHC Pacific Halibut Fishery Regulations for the 2018/19 process.

For the **IPHC INTERIM MEETING**: the 94th Session of the IPHC Interim Meeting (IM094) takes place 27-28 November 2018. The **Regulatory Proposal deadline for IM094 is 28 October 2018.**

For the **IPHC ANNUAL MEETING**: the 95th Session of the IPHC Interim Meeting (AM095) takes place 28 January – 01 February 2019. The **Regulatory Proposal deadline for AM095 is 29 December 2018.**

Although it is not mandatory to submit draft Regulatory Proposals to the IPHC Interim Meeting, it is highly encouraged as it will provide the Commissioners and IPHC Secretariat additional time to seek clarification if necessary.

In addition, we are pleased to announce the launching of the IPHC Fishery Regulations portal, now available for use on the IPHC website. All proposals for new or revised Fishery Regulations must be submitted electronically through this portal:
